RE: Public Records Request

[REDACTED]

This office has received your request dated and received July 22, 2009 for documentation from January 1, 2004 to present related to contracts between the school system and all lobbyists; check register data for all payouts, checks or other disbursements to those lobbyist(s); All email and/or other written correspondence between the school system and the lobbyist(s), and between the members of the school board and those lobbyist(s); copies of invitation to any and all legislative receptions that have been sponsored, funded or otherwise underwritten in whole or in part by the school system, along with a breakdown of costs incurred for those receptions; information regarding any gifts given or presented to legislators and/or executive officials, including receipts and/or purchase orders.

For the time period mentioned above, Duval County School has not engaged in a relationship or binding agreement with any lobbyist; therefore, there are no responsive documents to provide you. If you would like to discuss this request further, please do not hesitate to contact me.

Respectfully,

Renee Cobb-Pressley
Coordinator, Policy and Compliance
